** A Digital Photo Frame album disc is up to 100 images of your choice (which can include extra Romantic effects images) made into a series of up to 20 slides similar to our standard album pages and supplied as a series of JPG format computer files on CD for you to copy onto a memory stick or chip to show on a Digital Photo Frame. You could also make a Windows screensaver with software downloaded from the web. You might be able to create a real album with some web-based software. The DPF unit and memory are not included.

*** High definition (HD) Blu-Ray supplement includes filming using HD cameras at 1080i50 (the best resolution available on Blu-Ray), 3 copies of the edited video on fully chaptered and interactive BD-R Blu-Ray discs in presentation cases and the additional music copyright licence required. You also receive the 3 standard DVDs. A maximum edited length of 3 hours or a 2-BDR disc set applies. HD 1080p50 coverage to AVCHD disc is available on special request and at extra charge.

Ceremony only packages include arrival beforehand, the ceremony itself, signing the (mock) register and taking of the photographs at one location immediately afterwards. They may include a mock cake cut immediately on arrival at the reception if the venue is within 10 miles of the ceremony venue or is on the way back to our base.

Reception only packages include all aspects of the reception up to whichever is the later of the wedding breakfast, speeches or first dance provided they occur before 9pm (8pm for Silver) or within the maximum time stated.

All video packages include base music copyright licences and 3 fully-chaptered and interactive DVDs in presentation cases. Prices are for a maximum edited length of 3 hours or a 2-DVD set. Please ask for a quote for longer videos. Prices given are for video shot and edited in standard definition (SD) 16:9 aspect ratio and presented on DVD.

All photo packages are for 3 copies of all the pictures (usually around 1000 for both ceremony & reception packages) at full resolution and without watermarking on DVDs with a licence to use them as you wish for non-commercial purposes. A typical Gold full day package will have about 700-1000 images but this can vary according to what happens on the day, number of guests, etc. Albums and prints are not included but may be purchased separately. Albums prices start from £100 for standard printed books, £200 for traditional mounted-print albums and £500 for Italian storybooks, prints from £5 each.

For Photo-only or combined packages the pictures may be taken at a nearby park if there is nowhere suitable at the ceremony and/or reception venue. Video-only packages will cover the taking of photographs at the photographer's choice of location if within a reasonable distance of the ceremony and/or reception venue as appropriate to the package.

Other options and packages are available - please phone (01525 850407 10:00 - 18:00 Mon-Fri) or email enquiries@robebo.co.uk for details or to arrange a free, no-obligation presentation.

The price you pay is the price ruling on the day you book. A £100 fee is payable at the time of booking and the balance is due as cleared funds 21 days before the event.
